COVID-19 Care Kits

We know there is deep concern about the COVID-19 (the new coronavirus) in our communities. In Michigan seniors, families and individuals are struggling to meet their needs due to financial hardship and shortage of supplies during this time. You can help by providing these critical items to those we serve.

COVID-19 Care Kits

*please drop off at the door step of our Samaritas locations between 10:00am - 4:00pm and call the location or email lbros@samaritas.org prior to delivery*

To help our most vulnerable populations that we serve including seniors, refugees, children and families. These care kits can provide the critical items for those struggling to meet their needs:
